

Raffle Level Charity (Piggest Raffle Ever)

This level of charity participation is probably the easiest manner of involvement, but requires the charity to **continually and consistently** promote their participation in the Piggest Raffle Ever. Charities wishing to participate in the Piggest Raffle Ever must fill out and send in an application. The Pig Staff will then post the charity's name in a drop-down menu at the secure website www.piggestraffle.com. The charity must then promote the website and ask their constituents to go there and "buy" pigs on their behalf. Pigs cost \$5 each and 100% of that money goes in the form of a donation back to the charity and the person "buying the pigs" has a chance to win some fabulous prizes! Organizations may also choose to sell paper raffle tickets which are available in increments of 50 tickets and requires a check or credit card deposit to reserve the tickets. Charities will also receive recognition on the Flying Pig website.
