

PigAbilities

PigAbilities is a movement for inclusion that supports our families and friends who live with disabilities. Our one mile event is designed for participants (and supporters of participants) to run, walk or roll at their own pace so they can cross the official Flying Pig Marathon Finish Swine, just like everyone else. PigAbilities is an event for heroes.

we put people to work!

TRACK YOUR MILES

Using the HOG LOG, track each mile you complete toward your marathon goal. Miles can be done with a group or with family and/or friends. Always pick a safe place and never go out alone.

Your goal is to walk, jog, run or wheelchair the distance of a marathon (26.2 miles) or more in the months leading up to the PigAbilities Event.

REGISTRATION

On Saturday, April 30, participants will gather for a 12:00pm Start Time and walk, roll or stroll the final mile on part of the actual Flying Pig Marathon course! The cost to register is \$15 per person, through April 15th. Registration will increase to \$20 after April 15th.

Registration is available online at www.flyingpigmarathon.com

PARTICIPANT AMENITIES

All registered participants will receive a shirt, limited-edition poster, premium bag and virtual goodie bag. All PigAbilities finishers will receive a finisher's medal, mylar blanket, and Finish-area refreshments.

An event for all ages and abilities!

Nutrition Challenges

Eating well is so important to being healthy. You need the right nutrients from the right foods to be a strong and healthy athlete. Just like setting goals for reaching marathon distance, you can set goals for good nutrition, too.

We have set 4 Nutrition Challenges as your daily goals. Try to reach each of these goals as often as you can. Add the date each time you complete a nutrition challenge!

RETHINK YOUR DRINK

Avoid soda and sweet drinks. Stay hydrated with healthier choices like water, milk and 100% juices.

I drank only healthy beverages today.

FOCUS ON FRUITS AND VEGGIES

Fruits and vegetables offer awesome sources of vitamins, minerals and other nutrients. Try something new... you might like it!

I tried 3 fruits and/or veggies today.

GET CALCIUM

Building strong bones and muscle takes calcium. Low and non-fat milk, yogurt and cheese are excellent sources.

I got 3 servings of calcium-rich foods today.

GO FOR THE WHOLE GRAIN

Grains provide our main energy source for the body and brain. Get the ultimate fuel by eating breads, cereal and grain products that are WHOLE.

I had at least 1 WHOLE grain today.

EXERCISE YOUR BRAIN

Get your brain some healthy food.

Read (or be read to) an additional 15 minutes above your usual.

Register for the PigAbilities Event, presented by Goodwill, on April 30, 2022 at www.flyingpigmarathon.com

Filled up the HOG LOG and ready to keep going? Why stop at 25 miles? Download another one to keep racking up those miles and good habits!
